## Expressway Trucks Update

### 2024CY HINO Retail Sales Achievement Award

In 2024, Hino captured 24.5% of the MTD market, resulting in a 2nd place finish overall. To recognize this achievement, Hino Motors Canada has awarded the top 12 Hino Sales representatives for MDT and HDT retail sales registrations.

We would like to congratulate our very own Hino Sales Manager, **Scott Leis**, for his **1st place** finish for his volume of MDT and HDT retail sales registrations in 2024. Congratulations on this achievement, Scott!

## Expressway Waterloo Update

### AVAILABLE NOW — All-New Volvo VNL300 Demo

Don't miss out on this great opportunity! We have an All-New Volvo **VNL300 Demo** that is available and ready to go to its new home. This is an amazing truck to drive and loaded with features! Plus, this demo has been used for show only, never to pull any trailers.

Please call our Sales Team at **519-632-9777** for complete details and **special demo pricing**.

### 24CY HINO 3S Skills Competition

We would like to congratulate one of our very talented Parts Advisors here at Expressway Waterloo, **Adam Sitek**, for qualifying as a finalist in the Hino Parts Skills Competition! Unfortunately, Adam will not be able to attend the finals in May, but we are incredibly proud of him for his achievement as a finalist. Well done, Adam!

### NEW — Legacy VIN Specific PartsASIST Catalogue

PartsASIST has announced that they now offer a legacy VIN specific genuine catalogue! This new catalogue will contain vehicles of 2003 Volvos and older, as well as 2010 Macks and older, and will be visible under the catalogue tab called "Genuine Parts PXP".

Please contact **Christine Fehr** at [christine.fehr@expresswaytrucks.com](mailto:christine.fehr@expresswaytrucks.com) to see if you're eligible for PartsASIST, to get more information, or to sign up!

### Customer Photo Spotlight

You may recall that, last month, we featured a customer photo of their new 2025 VNL760 with a beautiful snowy mountain backdrop. This month, we bring you the opposite! This great shot was submitted by Patrick from **Bell City Transport Systems**, which features one of their Volvo trucks in the warmer weather amongst the palm trees. We definitely hope to experience some similar temperatures in the not-so-distant future.

Thank you for the submission, Patrick, and enjoy your \$25 Tim Hortons gift card!

## Expressway Trucks Sales

### Customer Spotlight — Liftwerx

Thank you, Liftwerx, for choosing Expressway Trucks and the Volvo VNR640.

Based in North America and Europe, **LiftWerx** is one of the world's most specialized wind energy contractors providing turnkey services for the major corrective repairs of wind turbines using crane-less technology. The technology offered by Liftwerx provides countless benefits over the use of traditional cranes. Crane-less solutions reduce mobilization costs, avoid delays due to high wind speeds, avoid the requirement of obtaining road permits, minimize ground pressures, and decrease the overall footprint as compared to using traditional cranes on the ground. In addition, their up-tower cranes are fully-electric and have 40% less of a carbon footprint than traditional cranes.

As Liftwerx travels everything from the open road to long winding service roads and beyond, they chose the **VNR640** to be a one truck fits all approach to their trucking needs.
