Expressway Waterloo Update

Please join us in welcoming Joe Gomes and Glen Darton to Expressway Trucks Waterloo. Joe is an Apprentice on our afternoon shift and Glen is in our Detail Bay. We are happy to have them both join our Service Department.

Did you know that online parts ordering is available for customers at Expressway Trucks Waterloo? We offer Select Parts Store, an easy and convenient website that can be used to order your parts 24/7. Some features of Select Parts Store include: access to pricing and real-time parts availability, fast and accurate purchasing with immediate invoicing, easy to search parts fields, online invoice and order history, and greater productivity for your business. Please contact Jessica at parts@expresswaytrucks.com if you are interested in signing up for Select Parts Store.

Expressway Windsor Update

Expressway Trucks Windsor recently hosted Customer BBQs for Onfreight Logistics and Moe's Transport. We held these two BBQs at their locations and were able to have a great lunch with their staff. We thank both of these customers for their support and allowing us to host these events for them.

Please join us in welcoming Eric Johns and Mikey Ure to Expressway Trucks Windsor. Eric and Mikey are both Apprentices and we look forward to their contributions here.

We participated in two Canada Day Parades in Windsor and Leamington this year! We were able to showcase our Hino trucks in the parades and had our staff and their families attend these fun events. We also participated in the Essex Fun Fest Parade on Saturday, July 8th. We donated non-perishable food items and clothes to St. Vincent de Paul as part of our entry for this parade.
