

A/C Service

Service includes:

- Evacuate A/C system
- Weigh contents
- Check for leaks in system
- Refill system to OEM specs
- Install tracer dye for future failures

**Summer is just getting started!
Beat the heat with our extended
promo, now valid until June!**

Regular price of service: \$199.95

Note:

- A/C systems work at extremely high pressures and secondary failures are common after a repair; weak components may fail as a result of increased pressure.
- A/C repairs include a one year warranty on items replaced excluding fabricated lines.
- A/C Inspections fees are billed at time of inspection and are not refundable.
- Re-inspection for leaks after a repair will be done at no charge if performed within 7 days of original repair
- A/C systems can not be filled (topped up) without an inspection to detect leaks.
- All leaks must be repaired before the system can be filled.

 **JUNE PROMOTION** 
\$149.95

*This inspection does not include any electrical diagnostics or additional Freon needed to top up the system.

*This is a visual inspection only. *R134A systems only.

Prices do not include applicable taxes. Prices in Canadian funds.

Prices are subject to change without prior notice. Limited time offer. Offer expires June 30, 2018.
